

The plot shows a horizontal line at $y=2$, indicating that the number of edges is constant and equal to the number of nodes for a cycle graph.

Number of nodes	Number of edges
100	2
500	2
1000	2
5000	2
10000	2
50000	2
100000	2
500000	2
