

The figure is a line plot with a logarithmic x-axis and a linear y-axis. The x-axis is labeled 'Number of nodes' and has major ticks at 100, 500, 1000, 5000, 10000, 50000, 100000, and 500000. The y-axis is labeled 'Number of edges' and has major ticks at 0, 20, 40, 60, 80, and 100. A horizontal red line is plotted at y=2, with green diamond markers at each x-axis tick. The line is labeled 'Cycle graph' in the top right corner.
